

SARAH VAUGHN

Sarah has taught Ballroom Dance in the Oklahoma City area for 9 years, following her time as a TA in the OU Ballroom program. She has competed with her students in ballroom competitions across the US and in Canada, bringing home multiple Top Student and Top Teacher awards. She is thrilled to be teaching full-time at 3Sixty with her family of dancers and students.

Her community involvement includes performing in fundraisers for OKC Beautiful, the Oklahoma Medical Research Foundation, Children's Miracle Network, Edmond Chamber Dancing with the Stars fundraiser, celebrating with the Oklahoma Jewish Federation, and hosting the Wags to Waltzes fundraiser for a local dog rescue.

Sarah has trained with US and World Champion Dance professionals in a range of styles from American Smooth and Rhythm, International Standard and Latin to Country Western. She has worked in film and in pageantry with State and National Titleholders on their stage work.

She loves the challenge of taking her students out of their comfort zones and showing them they can do anything.
